**Project Manager**

**November 2013 to March 2014**

**Government of New Brunswick, Department of Social Development  
Fredericton, NB**

Dale was the Project Manager for the Reporting Solution and Proof of Concept Procurement project. The goal of this project was to procure a vendor who would recommend appropriate licensing, architect and implement an appropriate Reporting Solution from the Microsoft Business Intelligence tool set in the Social Development environment. The procurement was under the conditions established by the Strategic Procurement Branch of the Department of Government Services and the Public Purchasing Act.
